

Course TITLE: Exploring Filipino Culture

Instructor: Celedonia Hilario

Title/Position : Professor V

Institution : Aklan State University

Course Overview:

This course aims to introduce the participants to Filipino cultural practices. It will also focus on a comparative study between Filipino culture and that of other nationalities.

To attain these objectives, students will be asked to participate actively in group performances showcasing Filipino culture as reflected in folk songs, film shows, games, folk tales, proverbs and folk dances. Cultural practices of other countries may also be presented as a point of comparison.
