

2019 GLOBAL KOREA SCHOLARSHIP FOR AFRICAN AND LATIN AMERICAN UNDERGRADUATE STUDENTS

Hosted by Dongseo University

Dongseo University (DSU) has been selected as a host institution of the ‘2019 GKS (Global Korea Scholarship) for African and Latin American Undergraduate Students’. We invite outstanding undergraduate students from Latin America to apply for this training program designed to provide in-depth academic training and invaluable experience in Korea. The program seeks to nurture future leaders who will contribute to the development of global society and to friendship between Korea and their home country.

1. Dongseo University

Dongseo University is a private university founded in 1992. It has 7 colleges, 15 academic divisions, and 75 majors. The academic community comprises 11,000 full-time students, including roughly 1,100 international students from roughly 86 countries worldwide. DSU is specialized in Film & Imagery, Design, Digital Contents, Information Technology, International Studies, and Korean language teaching for foreigners. DSU is a highly globalized university that runs cooperative programs with 230 partner universities in 39 countries. It also has overseas campuses in the U.S. and China.

5. Application Details

- a. Application Office

Training Institution		Contact for Application
Latin America	Dongseo University	International Exchange Center Mr. Leo Choi: chs@dongseo.ac.kr Tel: 82-51-320-2746
	Chonnam National University	International Affairs Office Ms. Byeol Jeon: jeonbeyl@jnu.ac.kr Tel: 82-62-530-1272

- b. How to Apply

- ① Choose one of the institutions listed according to your major. You can choose only one of the two universities for your application. Multiple applications will be excluded during the final selection process.
- ② Submit all required documents to the application office of the chosen institution.
- ③ If you pass the document screening process, you will be invited for an interview. Interviews will be conducted by either Skype or phone.
- ④ The chosen institution will nominate students to NIIED, which will make the final decisions and announce the successful applicants for each university.

c. Application Deadline: **April 12**

※ Email application is available but the original document must be submitted after the final selection process

d. Required Documents

- ① Completed application form
- ② Copy of your passport's information page
- ③ Proof of enrollment at your current university/college
- ④ Original sealed transcript from your current university
- ⑤ Self-introduction and research plan
- ⑥ Letter of recommendation from an academic source
- ⑦ English Proficiency Result

※ Additional documents may be required for the screening process

6. Benefits and Responsibilities

- a. Round trip air ticket, room and board for the duration of the program, and traveler's insurance are provided.
- b. Participants are responsible for transportation in their home country, visa fees, etc.

7. Program at DSU

During the five weeks of the program, students will acquire knowledge related to their major, especially in the areas of Raspberry Pi & IoT, VR, Image Processing/Interactive Media Arts, AI and Digital Forensic. Through team projects, students will gain practical experience and determine their own goals for the final project presentation. Apart from the abovementioned major studies, students will also study basic Korean language and participate in various cultural activities, city tours and field trips. The specific program schedule can be found below.
