Delivery of classes

- Due to the COVID-19 spread, classes can be delivered online or blended.
- Each class will notify guidelines to join online class and test the accessibility before the start of the online classes. If you have question regarding this, please contact your department.
- All the students either in Korea or outside of Korea must attend online classes
- If students miss the online classes, their attendance will be marked absent.

Any changes will be re-notified through the website notice board and facebook group page. Please stay tuned.
