Important Information I	Important Information II	What is Preliminary Course Registration?	FAQ regarding Preliminary Course Registration	Notes

▶ **Information about foundation studies (English language track, Chinese language track)**

A. English and Chinese language tracks for foundation studies started in 2008.

B. Outline

- Since 2008, DongseoUniversity has offered two foreign language tracks for foundation studies.Students must choose between the English language track and the Chinese language track for completing their foundation studies coursework

- Students should select either the English track or the Chinese track and then register according to their preference.

- After selecting one of the tracks, students cannot change their decision. They must complete the graduation requirements in the track initially selected.

C. Credit table for each track
