The image shows the top portion of the Coursera website. At the top left, the Coursera logo is followed by the Dongseo University (DSU) logo and name in Korean. A search bar with the placeholder text "What do you want to learn?" and a magnifying glass icon is positioned to the right. Further right is a blue "log in" button, which is pointed to by a black arrow from the right edge of the frame. Below the search bar is a horizontal navigation menu with categories: "category: Arts & Humanities", "business", "Computer Science", "data science", "information technology", "health", "math and logic", and "self development". A circular arrow icon is on the far right of this menu. The main banner features a photograph of a group of diverse students in a classroom setting. Overlaid on the photo is the text "welcome. Dongseo Students Start learning on Coursera!" and a blue "join" button. Below the photo, it says "Sponsored by Dongseo University". At the bottom left of the banner area is a "search list" link, and at the bottom right is a "how it works" link with a dropdown arrow.

Now, Feel free to register for any course you want

The screenshot displays the Coursera interface for a course titled 'Quality Management' at Dongseo University. The header includes the Coursera logo, the university's name and logo (DSU Dongseo University 동서대학교), and a search bar containing the text 'Search in 'Quality Management'...'. Below the header is a navigation menu with categories: Arts and Humanities, Business, Computer Science, Data Science, Information Technology, Health, Math and Logic, and Personal Development. The main content area features a large image of a diverse group of students in a classroom setting. Overlaid on this image is the text: 'Welcome to Quality Management Start learning on Coursera!'. At the bottom of the image area, there are two links: 'Browse Catalog' and 'How it works'. Below the image area, the section is titled 'Recommendations by Coursera' with the subtext: 'Enroll in popular courses based on enrollment data and ratings by learners from a variety of industries across Coursera.'
