2) new expressions

- ① **-곤 하다**: This expression is used to describe something which occurs repeatedly or a person who performs some action repeatedly or regularly.

(Conversation1)

A: 점심인데 시리얼 드세요?

It's lunchtime, and you're having cereals?

B: 시간이 없을 때는 과제하면서 시리얼을 먹곤 해요.

When I don't have time, I often eat cereal while doing homework.

(Conversation2)

A: 인터넷 상태가 괜찮아졌지요?

Did your Internet get fixed?

B: 네, 예전에는 인터넷이 갑자기 끊기곤 했는데 이젠 그런 일이 거의 없어요.

Yes, It used to cut off suddenly, but now it rarely, if ever, does.

- ② **대신에**: This expression indicates that the action in the preceding clause can either be replaced by another action or that another action can compensate for

the action in the preceding clause.

(Conversation 1)

A: 오늘 점심 때 스테이크 먹을까요?

Shall we have steak for dinner?

B: 오늘은 돈이 없는데 스테이크 대신에 비빔밥을 먹으면 어때요?

I'm broke today, so how about we have 비빔밥 instead of steak?
